Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 8-K (17 CFR 249.308) is filed by issuers to satisfy their current reporting obligations pursuant to Sections 13 and 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m and 78o(d)) in connection with the occurrence of significant corporate events. The purpose of Form 8-K is to provide investors with prompt disclosure of material information so that investors will be able to make investment and voting decisions better informed and receive information more timely. We estimate that Form 8-K takes 9.2145 hours per response and is filed by 118,387 responses annually. We estimate that 75% of the 9.2145 hours per response (6.91087 hours) is prepared by the issuer for a total annual reporting burden of 818,158 hours (6.91087 hours per response x 118,387 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information

on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
